

DRIVER SAFETY BRIEFING

The driver safety briefing will be conducted online in the interest of public health.

It is mandatory for all crews to watch the video.

Simply follow this link, https://youtu.be/qvFbM_MQ8wU and watch the video with care.

If you have any queries following the video they should be communicated to members off the rally office at sign on.

Please give the video due attention as safety is key to the running of our event.

Anybody who doesn't watch the video will not start the event on Saturday.

Regards

Martin Farrell
