

IMPORTANT RALLY INSURANCE CHANGE

Motorsport Ireland have announced changes for applying for First Time or Renewal IRDS/BRDS Insurance letters.

Competitors or officials in Stage Rally/Navigation Trials/Retrospective Trials/Endurance Trials/Multi-Venue Autotest events will no longer receive an IRDS/BRDS letter or need to present a letter to organisers at event sign-on.

Instead, under new arrangements agreed with our insurers, an updated database will be published on Thursday of each week, which will be available to view by all concerned.

NOTE: Application forms MUST be received at MI a MINIMUM OF 14 DAYS before cover is required.
